- Entry Fee \$20

GOLF CARTS

- To help protect the golf course, please keep cart traffic on cart paths around greens and tees
- Utilize the 90 degree rule throughout the balance of the golf course
- Individuals that need assistance for physical disabilities, please inquire at the pro shop

Team Play

- Our record is two wins and three losses and the matches this year have been closer than in the past. After an initial win at home against Paso Robles, the team was defeated at Chalk Mountain, Hunter Ranch and Paso Robles, but the last two could have gone either way and were decided by very close matches on the last hole. Thanks to all the players for their efforts. One match remains, at home against Hunter Ranch on August 6th.

Golf Tips from Michael Samaniego

- "Tee it High, Hit it long!"
- Do you have one of the new larger headed drivers? So you can launch it nice and high, tee the ball higher and further forward in your stance. This will allow you to catch the ball on the upswing and launch the ball.
